Comm 3 – Administrative Procedures
Wisconsin Department of Commerce

This section of the course is intended to familiarize contractors with Comm 3. They will gain knowledge about the procedures needed to apply for a variance from a building code (Comm 20-25) and are able to clearly convey these codes to their customers. The course lists the division actions and the procedures including time limits for appealing a decision by the Wisconsin Department of Commerce.

A Wisconsin UDC Building Permit is included in the materials, as well as an energy worksheet.
